Announcing Upcoming Hyperbaric Chamber Operator Training

Hyperbaric Chamber Operator (HCO) Level 2 - Part I

Where: New Orleans, LA USA
When: Thursday September 8, 2016 9:00 am - 5:00 pm
Location: Astor Crowne Plaza Hotel, New Orleans (link <http://www.crowneplaza.com/>)
Toulouse Room B
Address: 739 Canal St. @ Bourbon, New Orleans, LA 70130
Phone: (504) 962-0500 Hotel

Training is preceding the **HBOT 2016 Conference** (<http://hbot2016.com/>)
Training is recognized and approved by IHMA. (www.hyperbaricmedicalassociation.org)

This certification program is designed to train & certify chamber operators to provide the highest level of patient care and safety for clinical operations. Specific to the needs of a chamber operator, the **ANDI** program provides a full presentation of the physics, physiology, patient care, equipment engineering, maintenance and use of specific Mono-place Hyperbaric Chambers for both Air and Oxygen environment administration. The above program is Part I only. The Part II includes hands-on use of the specific equipment as designated on the certification and required by **ANDI**. Part II may be completed in a variety of formats. Contact **ANDI** for any additional information.

\$525 per person includes training materials & lunch

Pre-registrations will be provided with a hard-copy text (Textbook Promotion @ www.andihq.com)
Call 1-800-229-ANDI (2634) to register
